The review committee for evaluation and selection of this year's FTA Section 5311(f) Intercity Bus Program evaluated 33 project applications requesting \$3,694,051 million in Federal funding.

The four member Section 5311(f) review committee included Kathryn Mathews, Executive Director, El Dorado County Transportation Commission, Steve Miller, Division of Rail Amtrak Thru-Bus Transit Coordinator, Juan Guzman, State Grants Branch Chief, and Dan Mundy, Rural and Small Transit Operators, Procurement and Monitoring (RASTOPM) Branch Chief.

Project applications were scored using the project evaluation criteria included in the Grant 24 – 2006 Application Guidelines and Forms. As a result, 20 projects were selected for full funding and five projects were selected for partial funding.

Attachment one is a listing of projects that have been selected for funding. Attachment two is a listing of all selected projects in your District, a brief description of each project, the funding amount, and any condition(s) placed upon the project that must be met before funding is approved.
